Second Chances: The Critical Need for STEM Education and Careers for Justice-Impacted People

The NSF Eddie Bernice Johnson INCLUDES Alliance **STEM-OPS (STEM Opportunities in Prison Settings)** is excited to offer you the opportunity to attend a watch party and panel discussion highlighting the urgent need to reform systems of incarceration and create pathways to STEM careers for justice-impacted people. The watch party is based on an event held in April at the National Building Museum in Washington, DC, in honor of national Second Chance month.
