

Registration for the 2022 STEM-OPS Annual Convening is now open!

[Access to STEM Education and Careers Is a Human Right, Not a Privilege](#)

Join us at the first in-person conference dedicated to expanding access to STEM education and careers to people impacted by incarceration.

This event, to be held October 25–27, 2022, in St. Louis, Missouri, will convene researchers, practitioners, educators, and community leaders who work at the intersection of the carceral system and STEM.

Who should attend?

- Justice-impacted students and professionals in STEM fields
- STEM college and university faculty
- K–12 STEM educators
- Department of Corrections education staff
- Businesses in STEM fields committed to equitable employment
- Advocates for STEM programs in prison settings
- Organizations supporting people who are justice impacted
